

DAVID ISQUICK

EXPERIENCE

APOLLO GRAPHQL, San Francisco CA

Dec 2020 - Present

Director of Product Marketing

- Lead PMM team: responsible for messaging, product launches, go-to-market strategy, and sales enablement
- Developed ideal customer profile for Apollo and worked with marketing operations to develop an account-based marketing strategy to prioritize accounts with the highest propensity
- Created first enterprise-focused track for [GraphQL Summit](#) called Scale with over 1300 registrants and 500 attendees

OPTIMIZEZLY, San Francisco, CA

Feb 2020 – Nov 2020

Director of Product Marketing

- Led team of PMMs to drive pipeline with integrated campaigns: webinars, e-books, demos, and case studies
- Owned content strategy for Optimizely [conferences](#) in 2020: attended by 4000+ prospects and exceeded pipeline goals
- Worked with partnerships to build a go-to-market plan around strategic integrations with [AWS](#) and [Microsoft](#)

Senior Manager, Product Marketing

May 2017 - Feb 2020

- First developer-focused marketing hire: built out developer go-to-market strategy including [blog](#), content, and events
- Launched freemium product, [Optimizely Rollouts](#) in 2019, and grew acquisition year over year by 619%
- Developed and delivered sales enablement on engineering personas to drive ARR growth
- Ran a series of A/B tests that drove freemium product adoption by 57% by testing messaging and CTA placement
- Led multiple [website](#) redesigns and rebranding initiatives, including the [homepage](#) and [plans](#) pages

FACEBOOK, Menlo Park, CA

Product Marketing Manager, Developer Marketing

October 2014 – April 2017

- Brought to market and grew [Facebook Analytics](#) to over 800K users by conducting webinars, email marketing, social media and [blogs](#), event marketing, whitepapers, [press](#) and analyst briefings, building website, and running digital ads
- Launched Facebook Analytics at Facebook [F8](#) conference and [presented](#) live to 500 developers and 10K remotely
- Brought to market [Facebook Spaces](#) (Social VR App) and [Facebook Messenger's Developer Platform](#) at F8
- Performed competitive analysis, audience segmentation, message testing, and user research for product launch
- Led sales and partnerships enablement training sessions

Client Solutions Manager (CSM)

November 2012- October 2014

- Grew leading travel client's ad spend by over \$7m year-over-year via targeting, creative, and bidding optimization
- Built custom targeting segments for key advertisers, which drove \$13m in incremental spend from dating advertisers
- Designed experiments with engineering, product, and measurement to launch [Facebook conversion lift](#)

SAMSUNG AUSTIN SEMICONDUCTOR, Austin, TX

2006 - 2010

Measurement Engineer II (2006 – 2010)

- Devised an automated system that saved \$200,000 in costs per year and received a quarterly award as recognition
- Reduced equipment error rate by 80% by developing a standard framework for technicians that eliminated guesswork
